this important new book on criminology is a major attempt to evaluate actual victim compensation programs as well as their political and economic contexts through the eyes of the victims themselves elias traces the experiences of violent crime victims throughout the entire criminal justice process comparing new york s and new jersey s victim compensation programs he shows how programs differ when compensation is viewed essentially as welfare and when it is viewed as a right the study uses extensive interviews with officials and with violent crime victims the study indicates victim compensation programs largely fail to achieve their stated goals of improving attitudes toward the criminal justice system and the government the programs produce poor attitudes toward government and criminal justice

this companion addresses the history of crime and punishment through entries by expert contributors that select and define the central vocabulary and terminology for the study of the history of crime and punishment organized alphabetically with useful cross references and bibliographies it goes beyond mere definitions to offer rigorous critical analysis of the terms and their use within the field both now and in the past it will be essential to students researchers and

teachers in the field

gender crime and victimisation is a thoughtful and thought provoking book exploring gender patterns in both offending and victimisation it offers a thorough examination of how these patterns in society are variously established and represented researched explained and responded to by policy makers and criminal justice agencies bringing together key theory research and policy developments the book combines perspectives on the study of criminology with those of victimology and gender studies drawing particularly on the influence of feminism it analyses processes of criminalisation and social control and their structural biases it explores fears anxieties and worries about crime as well as particular vulnerabilities to crime the book employs a range of learning devices to support the student reader including chapter overviews case studies and examples study questions further reading at the end of each chapter a comprehensive glossary comprehensive and robust gender crime and victimisation provides a stimulating and topical overview that will appeal to undergraduates

many prosecutors and commentators have praised the victim provisions at the international criminal court icc as justice for victims which for the first time include participation protection and reparations this book critically examines the role of victims in international criminal justice drawing from human rights victimology and best practices in transitional justice drawing on field research in northern uganda luke moffet explores the nature of international crimes and assesses the role of victims in the proceedings of the icc paying particular attention to their recognition participation reparations and protection the book argues that because of the criminal nature and structural limitations of the icc justice for victims is symbolic requiring state parties to complement the work of the court to address victims needs in advancing an innovative theory of justice for victims and in offering solutions to current challenges the book will be of great interest and use to academics practitioners and students engaged in victimology the icc transitional justice or reparations

prior to the emergence of a victims movement in this country in the 1970s crime victims had only limited formal rights and remedies in the modern american justice system with the active encouragement of those involved in the victims movement and guidance supplied by a national task force on victims of crime convened by president reagan in 1982 federal and state authorization of crime victim rights and remedies has increased exponentially in recent years in fact it has been estimated that there are currently tens of thousands of statutes which directly or indirectly affect crime victim rights and interests as well as victim related constitutional provisions in a majority of states tobolowsky describes the constitutional and legislative provisions addressing the principal crime victim rights and remedies and leading judicial opinions that have interpreted them in addition to presenting the current state of law in this area the text describes the status of implementation of these rights and remedies relevant empirical research and a sampling of the pertinent policy analysis this comprehensive portrait of the past and current status of crime victims rights and remedies in this country will inform the continued evolution of law and practice in this area

this book aims to serve as a comprehensive resource for a myriad of crime and mental health topics and issues in the african criminal justice system from a psycho criminological perspective crime mental health and the criminal justice system in africa a psycho criminological perspective is an ideal primary text for courses in criminology criminal justice and forensic psychology as well as a source of reference for practitioners who deal with offenders or victims for a long time african historiography has been viewed and interpreted from eurocentric perspectives this book is a timely contribution towards infusing afrocentric perspectives in african scholarship by indigenous scholars the authors interdisciplinary topical approach covering a gamut of topics ranging from african criminology through mental health and psychology to criminal justice systems has lent a decolonizing voice toward african literary pursuit and thereby laid a solid foundation for further research by other scholars i highly recommend it to readers academic institutions and researchers on africa emmanuel onyeozili ph d professor of criminology and criminal justice department of criminal justice university of maryland eastern shore usa this edited volume by an array of experts from west and southern africa has given a refreshing voice to psycho criminological narratives in the continent in a region of the world in which there is insufficient documentation of the patterns determinants and outcomes of criminal behaviour this book offers a culturally competent and contemporary flavour to an ancient discourse its focus on new areas of concern such as online dating scams kidnapping and the mental health of officials in the criminal justice system compellingly captures the potential reader and gives good value for time it is warmly recommended for its breadth of coverage the authority of its claims and the multi disciplinary outlook of its authors adegboyega ogunwale mbbs fwacp consultant psychiatrist forensic unit neuropsychiatric hospital aro ogun state nigeria this collection represents a significant step in the study of mental health crime and criminal justice in sub saharan africa the breadth of topics covered is impressive with each contribution based on methodologically sound empirical analyses it deserves to become a key reference for students researchers and policy makers interested in suicide drug use violence the work of prison officers criminal investigations and police community interactions justice tankebe ph d lecturer institute of criminology university of cambridge uk mental health and criminal justice issues are growing problems facing the world today questions about whether mental health affects crime or whether involvement in the criminal justice system affects an individual s health have become part of national policy discussion this nicely written book brings together eminent scholars and experts with extensive experience in their various fields to address these and other questions related to crime mental health and criminal justice in africa the editors did well to coordinate the efforts of the contributors into a valuable piece i highly recommend it for all who are interested in the nexus between crime mental health and criminal justice systems francis d boateng ph d assistant professor department of criminal justice and legal studies university of mississippi usa

designed as a stand alone or for use with curran renzetti s theories of crime 2 e allyn bacon 2001 this reader contains excerpts from criminologists writings on many of the most recent sociological

biological and psychological theories of crime editors renzetti curran and carr have compiled one of the most thorough books on the market in terms of presenting diverse theoretical perspectives they offer introductions to each theory briefly outlining the theory s strengths and weaknesses and provide a set of discussion questions at the end of each theory excerpted readings were chosen for their accessibility to all students

as hip hop artists constantly struggle to keep it real this fascinating study examines the debates over the core codes of hip hop authenticity as it reflects and reacts to problematic black images in popular culture placing hip hop in its proper cultural political and social contexts

this book presents in accessible form the most relevant readings from the diverse criminology literature and provides students with direct access to the main theories and perspectives which underpin and shape the discipline of criminology

as ethnic racial religious and gender based groups demand rights to pursue radically diverse lifestyles or maintain their cultural traditions conflict seems inevitable even in a free society government may offer remedies to social dilemmas such as affirmative action curbs on immigration or protection of gay rights but these may only fan the flames of resentment yet any society that tolerates and protects diversity is more likely to preserve the freedom to live one s life without interference emily gill reexamines the liberal tradition to reconcile its core commitments to autonomy and diversity values that in theory are complementary but in practice are often at odds and to show that the interaction of these values determines how we as individuals become free in becoming free she argues that true freedom is enhanced through the promotion of diversity and the encouragement of rational reflection on the options it allows and that limited choice or ignorance diminishes such freedom yet an incomplete freedom is what many individuals groups and states advocate when they commit to particular cultural traditions or religious beliefs despite the autonomy they themselves enjoy gill traces the implications of these conflicting views by drawing on recent scholarship and legal decisions in six areas national citizenship cultural membership ethnicity and gender religious belief sexuality and civic education by exploring the tensions between autonomy and diversity in such instances as boy scouts membership restrictions gay rights legislation and education among the amish she not only offers an insightful commentary on current issues but also explores the moral foundations of liberal thought unlike those who criticize liberalism for its shallow philosophical grounding gill shows it to have a substantive moral content grounded in the individual s capacity to make rational decisions based on critical reflection in her tightly woven arguments she explores real world problems in a meaningful way for students and for anyone concerned with the future of liberalism showing that becoming free is an ongoing process of human and social development
