Question: How American democracy is developing. The *Struggle for Democracy* provides students with an understanding of the American political process and with the tools to critically evaluate that process. This text focuses on the role that democracy has played in the American story and asks students how democracy is or isn't revealed in our politics and government. It encourages students to examine how deeply connected politics and government are with historical, economic, and social influences. The *Struggle for Democracy* both strengthens a fundamental aspect of critical thinking and tells a unique story of our country's political development. This text features full integration with the new MyPolisciLab. MyPolisciLab includes a wide array of resources to encourage students to look at American politics like a political scientist and analyze current political issues. Political Explorer lets students play the role of a political scientist by investigating issues through interactive data. Core Concept Videos discuss the big ideas in each chapter and apply them to key political issues. Simulations allow students to experience how political leaders make decisions. A better teaching and learning experience: This program provides a better teaching and learning experience for you and your students. Here's how: Personalize Learning: The new MyPolisciLab delivers proven results in helping students succeed. Provides engaging experiences that personalize learning and comes from a trusted partner with educational expertise and a deep commitment to helping students and instructors achieve their goals. MyPolisciLab is now compatible with Blackboard. Engage Students: The stunning visual design engages students in the text. Improve Critical Thinking: Learning objectives in every chapter help students focus on important topics. Analyze Current Events: Coverage of the 2012 elections keeps the study of politics relevant and shows how political scientists look at the development of the American political system. Support Instructors: A full supplements package including the class preparation tool in the new MyPolisciLab is available. 0205950094 9780205950096 *Struggle for Democracy* plus 2012 election edition. New MyPolisciLab with Pearson eText access card package consists of 0205909043 9780205909049 *Struggle for Democracy* 2012 election edition. 0205949975 9780205949977 New MyPolisciLab with Pearson eText ValuePack access card.

revolutionaries counter revolutionaries and reformers the world over appeal to democracy to

justify their actions but when political factions compete over the right to act in the people's name, who is to decide? Although the problem is as old as the great revolutions of the seventeenth and eighteenth centuries, events from the Arab Spring to secession referendums suggest that today it is hardly any closer to being solved. This book defends a new theory of democratic legitimacy and change that provides an answer. Christopher Meckstroth shows why familiar views that identify democracy with timeless principles or institutions fall into paradox when asked to make sense of democratic founding and change. Solving the problem, he argues, requires shifting focus to the historical conditions under which citizens work out what it will mean to govern themselves in a democratic way. The only way of sorting out disputes without faith in progress is to show, in Socratic fashion, that some parties' claims to speak for the people cannot hold up even on their own terms. Meckstroth builds his argument on provocative and closely argued interpretations of Plato, Kant, and Hegel, suggesting that familiar views of them as foundationalist metaphysicians misunderstand their debt to a method of radical doubt pioneered by Socrates. Recovering this tradition of antifoundational argument requires rethinking the place of German idealism in the history of political thought and opens new directions for contemporary democratic theory. The historical and Socratic theory of democracy the book defends makes possible an entirely new way of approaching struggles over contested notions of progress, popular sovereignty, political judgment, and democratic change.

Alert: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN.
