a judge hands down a stretch in a local state or federal prison it s time for some serious life lessons with the crime rates

soaring in the united states and the prison population growing faster than at any time in american history staying alive and well both mentally and physically is tougher than ever behind bars breaks down the bars on prison survival with a hard look at the realities of incarceration learn what it really takes to avoid being sexually abused stabbed beaten or even killed identify deadly prison gangs keep your own attorney from taking advantage of you get edible food and stay as healthy as possible learn the realities and untangle red tape of conjugal visits successfully navigate the complex parole system stay alive during a prison riot

more than two million people are incarcerated in america s prisons one in nine is serving a life sentence mass long term imprisonment devours state budgets adversely affects community well being and skews our collective moral compass this study examines the human costs of keeping the convicted out of sight out of mind beginning in 1994 the author began recording the personal stories of 50 incarcerated felons 17 of them were still in prison 20 years later the men candidly discuss what it means to commit a serious crime and to be confined for perhaps the remainder of their lives their stories are balanced by conversations with correctional officers prison administrators chaplains and parole board members the author identifies circumstances that ruin some prisoners and save others and presents insights for possible improvements in the criminal justice system

american jails and prisons confine nearly 13 5 million people each year and it is estimated that 6 to 7 percent of the u s population will be confined in their lifetimes despite these disturbing numbers little is known about life inside beyond the mythology of popular culture michael g santos a federal prisoner nearing the end of his second decade of continuous confinement has dedicated the last eighteen years to shedding light on the lives of the men warehoused in the american prison system inside life behind bars in america his first book for the general public takes us behind those bars and into

the chaos of the cellblock capturing the voices of his fellow prisoners with perfect pitch santos makes the tragic and at times inspiring stories of men from the toughest gang leaders to the richest wall street criminals come alive from drug schemes murders for hire and even a prostitution ring that trades on the flesh of female prison guards this book contains the never before seen details of prison life that at last illuminate the varied ways in which men experience life behind bars in america

a convicted drug trafficker and advocate for prison reform provides more than just a seamy look at prison life a chilling timely portrayal tara mckelvey the new york times book review american jails and prisons confine nearly 13 5 million people each year and it is estimated that 6 to 7 percent of the u s population will be confined in their lifetimes despite these disturbing numbers little is known about life inside beyond the mythology of popular culture michael g santos a federal prisoner nearing the end of his second decade of continuous confinement has dedicated the last eighteen years to shedding light on the lives of the men warehoused in the american prison system inside life behind bars in america his first book for the general public takes us behind those bars and into the chaos of the cellblock capturing the voices of his fellow prisoners with perfect pitch santos makes the tragic and at times inspiring stories of men from the toughest gang leaders to the richest wall street criminals come alive from drug schemes murders for hire and even a prostitution ring that trades on the flesh of female prison guards this book contains the never before seen details of prison life that at last illuminate the varied ways in which men experience life behind bars in america the tone and his focus on other inmates experiences rather than his own lend the book weight and authenticity opening a window onto the corrupt violent and ultimately counter productive society of american prisons edward humes los angeles times between shocking tales of inmate misbehavior are santos convincing theories about what it all means sean bosker new york post

an educational and inspirational book as part of the travis e williams presents book series geared to reshape the minds of incarcerated individuals to promote self rehabilitation self improvement and entrepreneurship this book series is closely associated with the inmates for entrepreneurial progress iep movement and its mission

on march 8th 1995 tupac shakur arguably the world s greatest rapper arrived at the clinton correctional facility in dannemora new york secured in shackles tupac walked with his eyes looking forward and his head hung low through the same hardened steel gates of the hundred and fifty year old prison that men such as lucky luciano and john gotti had passed through before him little has been written or said about tupac shakur s time inside one of america s most notorious prisons he remained incarcerated for seven months until his unlikely release on bail on october 12th of the same year tupac behind bars is a glimpse inside the 2017 rock and roll hall of fame inductee s tumultuous time in dannemora it marked an important period in his life one during which he got married met his self professed biological father and signed a deal with death row records on a handwritten contract

the powerful poignant story of love courage and redemption from death row where an indomitable woman challenged corruption in order to free her husband when tv reporter jodie sinclair went to the louisiana state penitentiary also known as the death house at angola in 1981 she expected to report about the death penalty and leave she never expected to fall in love billy sinclair was an inmate at angola sent there for an accidental murder during a robbery gone wrong after facing a trial which was skewed against him and being sentenced to death he saw first hand the corruption and abuse rife in the criminal justice system and he began an unrelenting crusade for reform when the pair married by proxy a year after meeting jodie took up billy s fight from then on she lived with one foot in the outside world and one in the complex and dehumanizing bureaucracy of the prison world this incredible memoir tracks her heroic twenty five year fight to save her

husband from dying in prison the professional setbacks she suffered for marrying a prisoner and a pardons scandal in which she wore a wire for the fbi to help her husband expose corruption in the criminal justice system leading all the way to the governor s office which put a target on billy s back it is the uplifting true story of a woman who stood by her man and in doing so exposed the horrors of our criminal justice system and became a voice for all those who have loved ones behind bars

this collection of essays arose from a conference held to mark the silver anniversary of the australian sex discrimination act 1984 the collection has two aims first to honour the contributions of both the spirited individuals who valiantly fought for the enactment of the legislation against the odds and those who championed the new law once it was passed secondly to present a stock take of the act within the changed socio political environment of the 21st century the contributors present clear eyed appraisals of the legislation in addition to considering new forms of legal regulation such as equality act and the significance of a human rights act the introduction of a proactive model which would impose positive duties on organisations is explored as an alternative to the existing individual complaint based model of legislation the contributors also pay attention to the international human rights framework particularly the convention on the elimination of all forms of discrimination against women and the un declaration on the rights of indigenous people the essays are illuminated by recourse to a rich vein of historical and contemporary literature regard is also paid to the comparative experience of other jurisdictions particularly the uk and canada

in an effort to create a more educated workforce in the united states many community colleges are implementing new practices and strategies to assist under prepared students these efforts will ultimately support a stronger and more resilient global workforce examining the impact of community colleges on the global workforce provides relevant theoretical and

conceptual frameworks best practices and emerging empirical research about new approaches being employed in community colleges to prepare students for their post collegiate careers featuring recent initiatives in educational settings this publication is a critical reference source for higher education practitioners policymakers and graduate students in higher education administration programs interested in the innovative practices utilized by community colleges to educate underserved students
